The Tweed region is a well-placed, natural choice to host your next Business Event in a variety of fully equipped venues, with beautiful beaches and volcanic Wollumbin as your inspirational backdrop.

With stunning national parks to the south and west, the Tweed touches Queensland in the north whilst the warm currents of the Pacific Ocean embrace its enviable coastline to the east. At the heart of the region, where the meandering Tweed River meets the sea, is the idyllic seaside city of Tweed Heads. Heading inland, the Tweed Valley is a natural amphitheatre recognised as being one of the most bio-diverse regions in Australia offering an array of local produce that is second to none.

Adding to this amazing landscape, are the wonderful personalities of our local characters - all willing to provide the best, most memorable experience for you and your delegates.

We look forward to welcoming you to our region to showcase our simply stunning Business Event offerings of The Tweed.
