

Northern Rivers RAIL TRAIL

PRE-CONFERENCE ACTIVITY
WEDNESDAY 26 JULY 2023
1PM MEET AT
MURWILLUMBAH RAILWAY STATION

Experience the region's newest attraction, the Northern Rivers Rail Trail, with a special ride for Symposium delegates on **Wednesday 26 July 2023!**

Meet at **Murwillumbah Railway Station** at **1pm** and set off at your own pace, taking in the scenery, bridges, tunnels and points of interest along the 24km journey.

Join Destination North Coast and destination hosts Tweed Tourism Company for a gathering at **Hosanna Farmstay** (halfway point approx. 9km from Murwillumbah Station) and a refreshing drink and nibbles. Transfers will be coordinated to take riders back to their cars from Hosanna between **4:30 - 5:30pm (TBC)**.

The ride is very much a 'choose your own adventure' proposition, with the following suggestion options and approximate timings:

| JOURNEY | RIDER LEVEL | MOTTO | DISTANCE |
|---|--------------|--|----------|
| Station to Hosanna Farmstay (one way) | Beginner | Bring this trail on (but I'm happy taking things easy...) | 9km |
| Station to Upper Burringbar, then return to Hosanna Farmstay. | Intermediate | Show me more (including the big tunnel I keep hearing about) | 23km |
| Station to Mooball, then return to Hosanna Farmstay | Advanced | I want a good look at the trail, villages and beautiful Tweed! | 32km |

REGISTRATION REQUIRED

The cost to participate in this pre-conference activity is just **\$35/person (a highly subsidised rate)** which includes e-bike/bike/helmet hire, transfers back to Murwillumbah Station and celebratory drink at the end of the ride!
